## *Our Dedication*

*We, the Class of Nineteen Hundred and Forty-nine, feel it fitting to dedicate this edition of "THE BARNACLE" to the memory of EDGAR FULCHER, one of our classmates who lost his life by drowning in the summer of 1947. EDGAR was one of the most popular boys in the class, an outstanding athlete, and a good student, who earned the respect he received from his teachers and his classmates.*

# Acknowledgments

The Class of 1949 wishes to extend its most sincere appreciation to Mr. Frederick M. Hodge for all his friendly efforts in the guidance of our school activities.

The Class of 1949 extends its heartfelt thanks to Miss Sylvia Capone for all the time and effort which she has given in the preparation of the "Barnacle."

To Mr. Elliott B. MacSwan, the Class of 1949 also wishes to express its gratitude for all his patience and help in the various projects the class has undertaken.

## Foreword

*As we, the Class of 1949, are about to step into the atomic world of the future, we pause for a moment to consider our pleasant years spent in Barnstable High School.*

*"49"! Those numerals invariably remind one of another day and age, and we ourselves find many comparisons between us and the intrepid gold-seekers of that time. From the day we were first deciding on the trail to follow, the guides to lead us, and the equipment to take, until the moment we stood at the edge of the gold field, graduation, it has been a glorious adventure. Several of our number have fallen by the wayside; some chose a different trail; some settled down along the way; and others just couldn't make the grade.*

*Therefore, likening ourselves to these miners and using our class motto, "Seek and ye shall find," we shall be inspired to meet this challenge of the future and to be spurred on to greater triumphs.*

# Class History

## GRADE IX

In September, 1945, thrilled and somewhat bewildered, we began our freshman year at Barnstable High School, to study courses of our own choice. Before long we became accustomed to our routines.

Many in our class chose varsity sports. Twelve girls participated in hockey. Many entered the band, orchestra and glee clubs. Three went to music festivals. Some became members of "The Clipper" Staff.

Two boys were enrolled in the Future Farmers of America. A number of girls were representatives for the Magazine Campaign.

## GRADE X

Time rolled around to September, 1946—our sophomore year. For class officers we chose William Perry as President; Harold Andrews, Vice-President; Doris Perry, Secretary; and Helen Lagergren, Treasurer. Virginia Smith and Evelyn Farquhar represented us in the Student Council. Mr. MacSwan was elected Class Advisor.

Although all extra-curricular activities were popular with our class, girls' hockey still led with sixteen participants. Some boys were chosen for first team in football and basketball. There were many new members in the band, orchestra and glee clubs. Later that year some members attended a music festival at Brattleboro, Vt., where Chester Crosby was Concert Master. The band attended a festival in Medford.

The Sophomore Hop was held on February 15, under the leadership of Margaret Johnson, chairman of committees. The theme was Valentine's Day.

The glee clubs and orchestra, combined, presented Gilbert and Sullivan's operetta, "H. M. S. Pinafore," under the direction of Miss Barton and Mr. Wiggin.

Three members of our class received awards in the Red Cross poster contest.

## GRADE XI

In September, 1947, we returned to school saddened by the recent loss of our classmate, Edgar Fulcher.

Chester Crosby was elected Class President. Ann Austin was elected Vice-President; Helen Lagergren, Secretary; Aune Mikkonen, Treasurer, and Harold Andrew, Student Council member.

## CLASS HISTORY (*Continued*)

---

Seven junior boys were members of the football team and became our 1947 heroes. Aune Mikkonen and Mary Nickerson joined the cheering squad. At the football banquet Robert Kahelin and Roy Nightingale were presented with watches for their good sportsmanship on and off the field.

The band, orchestra, and glee club, comprised largely of our class members, presented the annual Christmas concert. Chester Crosby was chosen as Concert Master of the orchestra.

The staff of "The Clipper," our Barnstable High School magazine, included five members of our junior class.

One of the greatest achievements of the Barnstable High School Band was its attainment of funds for new uniforms. By house-to-house canvassing, \$1200 was realized, allowing the band to flaunt new uniforms of red and grey. This drive was led by Joseph Santos, Captain of the Band, and by Priscilla Gaffney, Band Manager.

Christmas holidays passed, and the basketball season was in full swing. The teams included fifteen members of our class.

What a thrill it was to choose our class rings and to receive them early in February!

Many members of our class participated in the operetta, "The Gondoliers" by Gilbert and Sullivan, which was directed by the Music Department and presented early in March.

The theme of our Junior Prom was the Old South. It was held May 22nd, arranged by a very able committee guided by Mr. MacSwan, our Class Advisor. The grand march was led by our president, Chester Crosby, and Nancy Kesten.

Many classmates in the glee clubs, orchestra and band attended the New England Music Festival in May, which was held in South Portland, Maine.

In the spring our class secured Purdy as photographer of our year book. The choice was made by our picture committee and supported by a class vote.

We were proud to send Clifton DeMotte, Thomas Carlson and John O'Brien as representatives to Boys' State which was held at Amherst in June, and Ann Austin to Girls' State, which was held at Bridgewater State Teachers' College.

## GRADE XII

In our senior year, our class was reduced to ninety students. The faculty included many new members.

Grateful for his previous able leadership, we again elected Chester Crosby to serve as Class President. Other officers chosen were Richard Rounds, Vice-President; Aune Mikkonen, Secretary; and Camilla Hallett, Treasurer. Robert Perry was elected to serve on the Student Council, of which Evelyn Farquhar was appointed president.

As usual, football got off to a flying start, and again our class was well represented. Roy Nightingale and Charles Coleman were co-captains for the season. Barnstable was victorious by a score of 6-0 over Lawrence High School of Falmouth at the annual Thanksgiving Day game.

The first excitement of our senior days was heightened by the arrival of Purdy, Photographer, who took our class pictures.

In order to increase the exchequer for our senior expenses, Christmas cards and wrapping paper was sold by the class.

The senior class play committee decided to present "The Hobgoblin House" by Jay Tobias. Mr. MacSwan kindly consented to direct our play.

The glee clubs and orchestra presented a Christmas concert under the direction of Miss Barton and Mr. Gesin, the new head of the Music Department. Many of our class participated in singing and playing the familiar old carols.

Chester Crosby was again chosen Concert Master, Joseph Santos, Captain of the Band, and Priscilla Gaffney, Band Manager.

In athletics, Sally Cross was manager and Mary Foote, captain of the girls' basketball team. David Fish was chosen captain of the boys' team.

Our seven members of the staff of "The Clipper" contributed excellent material in a masterful manner.

The music for our class song was composed by Harold Andrews, and the lyrics by Mary Foote.

Our class is most grateful to the staff which has prepared this book, and to Miss Capone for her able assistance to the "Barnacle" Staff.

Although plans for our Class Day, Class Banquet and Graduation must be left incomplete at this time, we are looking forward to these occasions with great anticipation. May this class enjoy a successful future, and let us always remember the "Forty-niners."

# Class Song

*Parting comes; now is the time  
To sing of the Class of '49.  
It's to B.H.S. we sing our song  
As we leave its halls and move along.  
Hear the chorus that helps recall  
Yesterdays that were happy to all.  
Thanks now for the guiding hand  
That helped us succeed in all we planned.*

## *Chorus:*

*Barnstable — Barnstable,  
You've made us strong and fine.

Second row—Diggs, Dolins, Nightingale, Clough, O'Neil, Pihl, Ames, Crocker.

Third row—Andrews, Doane, Davis, Young, Pemberton, Coleman, Boyne.

The Boys' Glee Club, although lacking in size, turned out a fine musical aggregation under the direction of Mr. Simon Gesin.

The Glee Club is composed of approximately twenty-five members, with Fred Schofield as acting President and aide to Mr. Gesin.

A picked chorus of ten members of the Boys' Glee Club combined with a large number of the Girls' Glee Club to form an excellent Christmas chorus which sang before the Rotary Club of Hyannis, at a special evening presentation of Christmas music given for the members of the surrounding village at the High School Auditorium, and at a special assembly for the pupils in the High School.

# Band

*First row*—Eldredge, Cotell, Pells, Doane.

*Second row*—Gifford, Place, Richards, Farewell, Hinckley, Broadbent, Lahteine, Stearns.

*Third row*—Simpson, R. Santos, Bearse, Dolins, Siddall, Williams, J. Santos, Chesbro, Glover, Sylvester, Fernandez.

*Fourth row*—Varnum, Lima, Wordell, Hamblin, Bowen, Gaffney, C. Santos.

As the crisp fall air ushered in the football season it gave the band an opportunity to show its spirit, pep, and personality. To the delight of the spectators and players, new formations were presented during the halves under the able leadership of the new director, Mr. Simon Gesin.

The band's greatest achievement in the last four years has been the purchase of new uniforms, the drive for which was conducted by Joe Santos, Band Captain, and Priscilla Gaffney, Band Manager.

The band has given its time to civic organizations and has taken part in the annual parades on Armistice and Memorial Days.

# Orchestra

*First row—Hord, Petrides, Conto, Slavin, Crosby, Siddall, Sollows, Gerrior.  
Second row—Fisk, Williams, Hinckley, Haskell, J. Santos, Andrews, E. Santos.  
Third row—Gaffney, Hamblin, Farewell, Wordell, Place, Lima, Lahteine.*

No high school is complete without its orchestra, and although we have changed directors three times during the four years, it has held its attendance well and has been an integral part of the three successful operettas, 'H.M.S. Pinafore' and "The Gondoliers," and "Trial by Jury."

The annual Christmas concert has been greatly enjoyed by the public and the orchestra has contributed much toward the graduation exercises each June.

Since seven of the '49ers are in the orchestra and graduate this year, Mr. Gesin will be forced to mold new material for replacements when school opens in the fall.

# Class Play

*Seated*—Fisk, Goffin, Johnson, Kesten, Kennedy, Austin.  
*Standing*—Crosby, Slavin, Young, Anderson, Kunzi, Andrews, Mr. MacSwan.

The Senior Class play, "Hobgoblin House," written by Jay Tobias and starring a cast of twelve boys and girls, was presented March 18 and was a successful production. This was a three-act mystery comedy.

The play was directed by Elliott B. MacSwan, class adviser. He had aided him Miss Sally Sawyer from Osterville, the well-known director of the Barnstable Comedy Club plays.

Appearing in the production were Nancy Kesten, Harold Andrews, Joan Kennedy, Peggy Johnson, Russell Kunze, David Young, Geri Goffin, Jerry Slavin, Marilyn Fisk, Ronald Anderson, George Crosby, and Ann Austin.

## "Trial By Jury"

*First row: Left to right—Sethares, Fraser, Walsh, Robbins, Clark.*

*Second row: Left to right—D. Kunze, R. Aylmer, Goffin, Sylvester, Anderson, Pemberton.*

The Gilbert and Sullivan light operetta, "Trial by Jury," was presented in May this year by the combined Girls' and Boys' Glee Clubs, under the direction of Mr. Gesin and Miss Barton. The art work was directed by Mr. Coleman and the scenery was handled by Mr. Lindquist.

"Trial by Jury" is a one-act comedy which was presented in approximately forty-five minutes. This operetta is a satire on the trial by jury method of dispensing justice.

The B.H.S. orchestra handled the musical score of the operetta.

# Cheerleaders

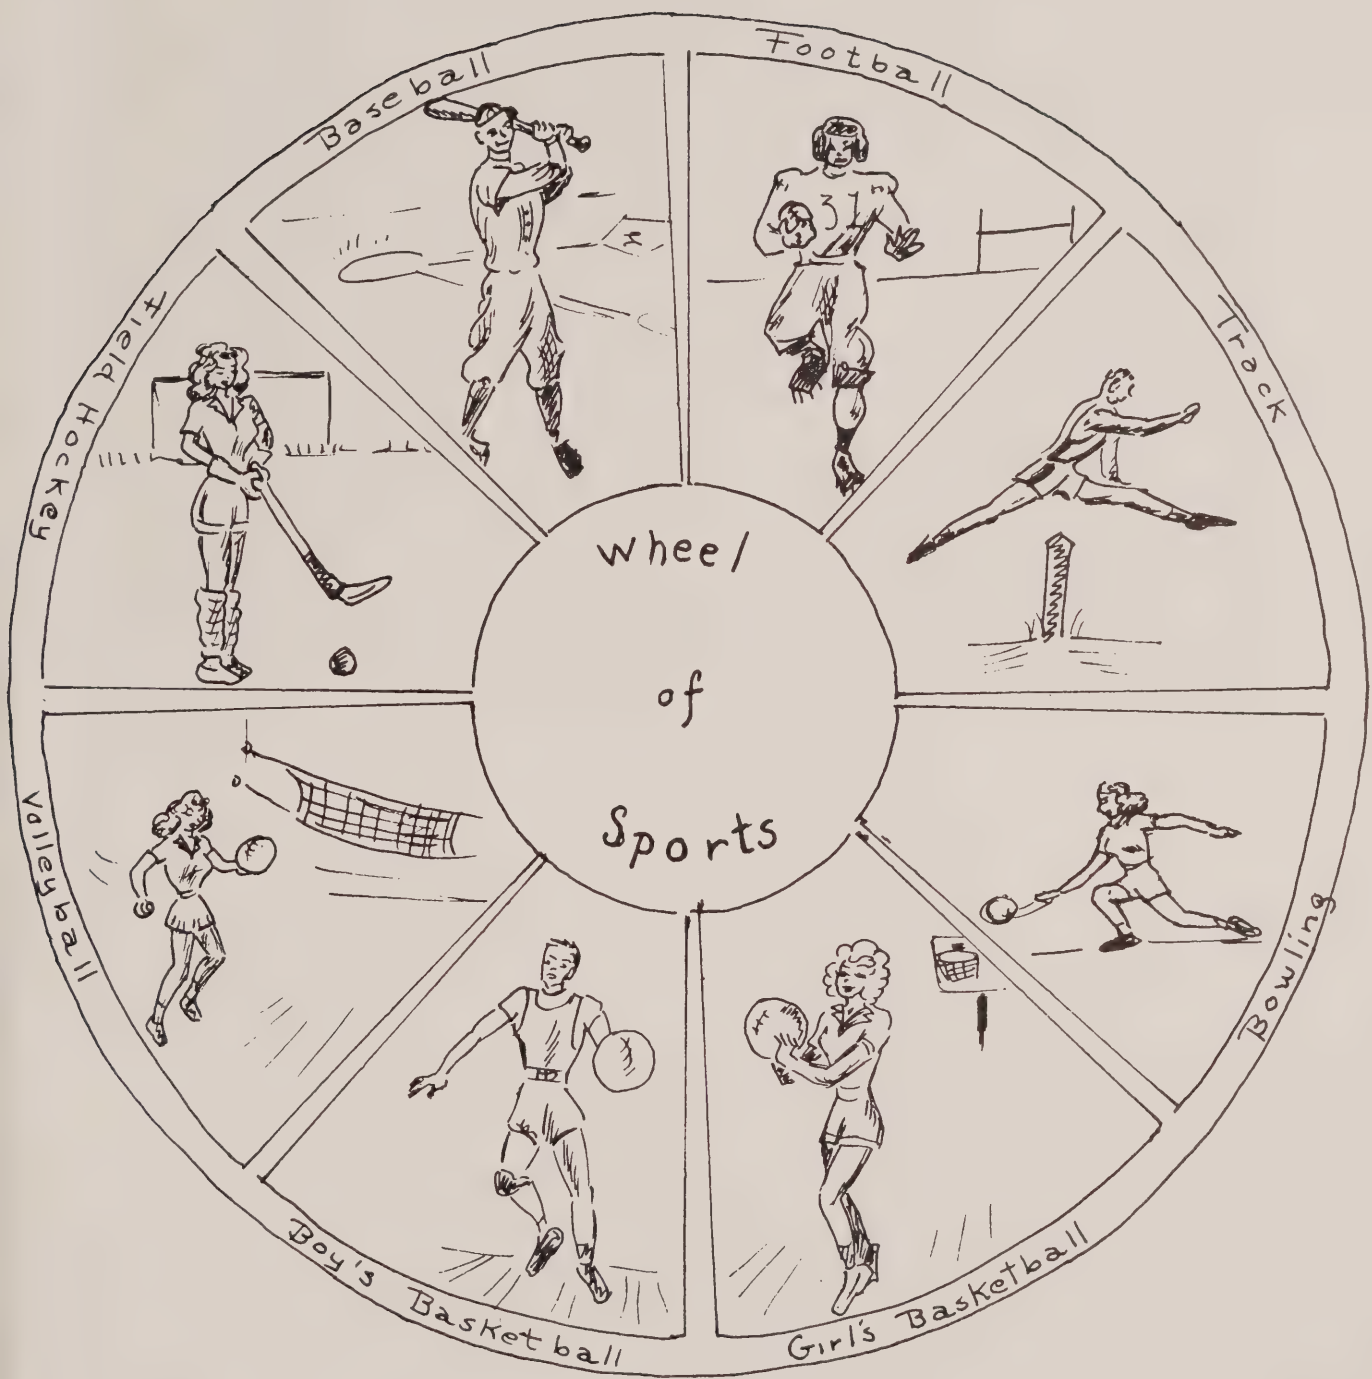

*Kneeling*—Madden, O'Neil, Covell, Pickering, Griffin.  
*Standing*—Eldredge, Miss Gath, Mikkonen, Clarke, Lewis.

The B. H. S. cheerleaders, under the direction of Miss Gath, gave their unfailing support to both football and basketball teams this year.

The Cheerleaders' Hop was a big success, and although they did not raise all the money for their sweaters, they will put this money in a fund and continue these dances each year until their goal is reached.

The cheerleaders were led this year by Aune Mikkonen, the only one of the group who graduates this year.

# Football

*First row*—Adams, Ducharme, Diggs, Pollock, Lebel, Boyne, Nickula, Fellows, Kunze.  
*Second row*—Bearse, Nightingale, O'Neil, Coleman, Hassett, Kunze, Vages, Ames, Fish, Pickering, Brown.  
*Third row*—Fish, Ashley, Alymer, Cross, Shields, Caswell, O'Neill, Pemberton, Elliott, Pierce, Doherty, O'Brien, Callahan, Mr. Shields.

The Barnstable High Football squad, although dogged by hard luck all season and despite a poor showing according to record, was, in the minds of those who follow football at B. H. S., one of the best in many years. A fine example of teamwork and good spirit was always present.

The squad was not overladen with outstanding stars, but the mainstays of the backfield, Nightingale, Brown, Pickering, Ashley, and Fellows, functioned as a well-knit group and all joined moving the ball down the field with equal finesse. Up front, O'Neil, Fish, Ames, Coleman, Vages, Hassett, and center Kunze all had their share in the glory by their sturdy blocking and the opening of the holes so badly needed by the backs. Howie Bearse, Nightingale, and Brown were great in their running and passing, while Vages and Coleman were outstanding in their offensive and defensive play in the line.

Coach Shields and Assistant Coach Michael Esposito, who spent many an hour coaching the B. H. S. eleven, were well rewarded on "Turkey Day" by a well earned victory over their traditional rival Falmouth by a 6 to 0 score.

# Girls' Basketball

*First row*—Crocker, Coggeshall, Nunes, Foote (Capt.), Wimberly, D. Renzi, Thurston, Ohrn.

*Second row*—Miss Nehubian, Cross (mgr.), Eaton, S. Renzi, Schultz, Clark, M. Perry, A. Perry, Lewis, Burrill (mgr.).

*Third row*—Ruska, Kelley, Haskell, Hinckley, McGoff, Hallett, Thatcher, Kahelin, Balboni, M. Perry, Cummings.

Coached by Katherine Nehubian, the girls' basketball team made a splendid showing this year, losing only two of the thirteen games played. The loss to Sandwich by a one point margin cost Barnstable its chance for a play-off for the Cape Cod Championship. Teamwork and good spirit accounted for the successful season.

# Boys' Basketball

*First row—Kahelin, W. Perry, Fish, R. Perry, Nelson, Fellows.*

*Second row—Manager J. Alves, Germani, Elliott, Davis, Dolins, Fulcher, Coach Esposito.*

The Barnstable High School basketball team had a very successful season this year, winning 13 games and losing 4.

They also won the Cape Cod Championship by defeating Provincetown High at Camp Edwards by the score of 58-47.

During the entire season Barnstable scored a total of 756 points while holding the opposition to 624.

"Big Ed" Nelson was high man for the season with 214 points, "Little Dick" Fellows, second with 142; and Dave Fish, third with 106 points.

Barnstable had a new coach this season in Mr. Esposito, who has done a very commendable job with the squad. In addition to winning the Cape Cod Championship, they were invited to both the Brockton Tournament and the Tech Tournament at the Boston Garden. Oliver Ames defeated them in the quarter-finals in Brockton, and Punchard of North Andover was the victor at the Garden.

# Baseball

*Left to right—Mr. Howes, Barse, Nickula, Fish, Brown, Kahelin, Behlman.*

Prospects are good for a baseball season even more successful than last year when Barnstable lost the Cape championship to Orleans in the Playoff at Chatham.

We have a nucleus of seven letter men returning. These include Dave Fish, Bob Kahelin, Howie Barse, Babe Brown, Dick Behlman, and Bill and Dicky Nickulas. We expect at least two other good prospects for every position on the team. Last year sixty boys tried out and this year the turnout should be greater.

We look forward to a ten or twelve game schedule with the addition this year of one game with an off the Cape team.
